Dear Ms. Johnson:

This letter is in response to your discussion with Dennis Shea, of PRC Environmental Management, Inc. (PRC), about the requested analytical results and associated quality assurance / quality control information from sampling conducted at NAS Oceana in Virginia Beach, Virginia.

This information has been requested in order to allow EPA to evaluate the NAS Oceana facility. We would appreciate receiving this information in its entirety as soon as possible.

Thank you for your assistance in this matter. Please feel free to call me at (215) 597-7858 or Dennis at (215) 972-0448, if you have any questions.

Sincerely,
